

Upstate New York Chapter

Train Collectors Association - Eastern Division

1ST CHAPTER BOXCAR - AVAILABLE

New York Central Boxcar w/Upstate Chapter Logo Limited Production O-Gauge Menards

The New York Central System boxcar is a beautiful new addition for your train collection. This O gauge resin boxcar features realistic details including a chassis with premium metal trucks and couplers. The boxcar also features a green colored box with detailed New York Central System logos and sliding doors on both sides.

Each boxcar is uniquely numbered - no two are alike! The Upstate NY Chapter logo will be placed as shown in the photo. The boxcar is compatible with all O scale train tracks, navigates O-27 curves, sliding doors. The car's other features include premium metal trucks and wheels with operating couplers. For best results, lubricate all metal parts before running. Boxcar approximate dimensions: 11"L x 2-3/8"W x 3-3/8"H.
